From the Teacher

Dear parents,

Learning Times Tables are really important in Grade 3. We have started a Times table challenge in class. The children must pass 23 questions to pass their tests. Please do get the children to practice their times tables each week. These results will be on Plusportal, so please do check their results and if you see they have not passed their tests please remind them they need to practice them.

Thank you,

Miss Sennah and Miss Napier

Don't Forget!

- Learning starts at 8:45am – five tardies result in Saturday School
- Wednesday pick-up at 3:10pm
- **Hat** and **water** every day
- One **healthy** snack each day
